

Carroll County Agriculture - A Closer Look
A Handbook for Carroll County Government Officials

ABSTRACT

The purpose of this publication is to provide Carroll County government officials with a single reference source regarding the state of the Agriculture industry in Carroll County, and its effect upon the economy and health of the County and its citizens.

This publication is a compilation of Agriculture information pertaining to Carroll County and the State of Indiana, taken from various statistical and scholarly sources. This is NOT a work of speculation or opinion. All facts are cited to government or vetted scholarly sources. All works and information contained herein can be verified to the source through minimal research on the part of the reader.
