PURDUE UNIVERSITY COOPERATIVE EXTENSION SERVICE
Carroll County

November 9, 2009

Dear Grain Farmer and Private Applicator,

Purdue Extension – Carroll County Office and the Carroll Co. Ag Assoc, will host a pesticide program on **Friday, December 11, 2009** from 9:00 a.m. – 11:00 a.m. at the 4-H Building in Flora. Registration is from **8:15 – 8:45 a.m.** The agenda is on the back of this letter. This is an approved program for recertification credit toward your Private Applicators License.

In order to obtain credit, you will need to:

- sign an attendance sheet;
- bring your PA License with you in order to verify your PA number;
- attend the entire 2 hour session; and
- pay the \$10 fee. Please make **checks** payable to Purdue CES Fund. These can be sent in advance or brought **completed** to the registration table.

Remember, you can just get credit for 2 meetings within a calendar year. Therefore, if you have credit for 2 meetings during 2009, this meeting will not be able to be used for your license. (If you need a second meeting, see the back of this letter for other programs being offered.)

The Carroll Co. Ag Assoc. will sponsor a lunch of BBQ pork sandwich, bake beans, chips, dessert and drink (tea and lemonade) immediately following the certification program. To assist with registration, lunch plans and room set-up, we will need you to pre-register by Friday – **Dec. 4th**. You can do this by completing the bottom portion of this letter and returning it to the Extension Office or email me (lytton@purdue.edu) with your name, your PA number and if you will be attending lunch.

If you have any questions, please contact me at the Extension Office at (765) 564-3169.

Sincerely,

Joanne Z. Lytton
