

January 2018

Dear Private Applicator,

Purdue Extension – Carroll County will host a Private Applicators Recertification Program on **Wednesday, February 7, 2018**, from 8:30 – 11 AM at the 4-H Building in Flora. Registration will begin at 8:00 AM and the agenda is included on the back of this letter. Donuts and coffee will be available during registration.

This is an approved program for one recertification credit toward your Private Applicator's License. This training will also fulfill Dicamba applicator requirements for 2018. In order to obtain credit, you will need to:

- Sign-in on an attendance sheet,
- Bring your PA License and/or Commercial Applicator's License with you in order to verify your license number,
- Attend the entire session, and
- Pay the \$10 fee.

2018 Dicamba Required Training – Beginning in 2018 ANYONE purchasing and/or applying Engenia, FeXapan, or ExtendIMax is required to attend an approved Dicamba training. See enclosed memorandum from the Office of the Indiana State Chemist for additional information.

To assist with registration, we request that you pre-register by **Friday, February 2nd**. You can do this by completing the bottom portion of this letter and returning it to the Extension Office, or by emailing it to lytton@purdue.edu with your name and your PA number. The check can be sent in advance or paid on-site at registration, although pre-payment is preferred. Please make your check payable to the Purdue CES Fund.

I will be on family medical leave beginning at the end of January. If you have any questions regarding registration, please contact Joanne at 574-967-3538. If you have questions regarding the PARP course or Dicamba, please contact Krista at 574-753-7750.

Sincerely,
Jo Thomas
