Conservation Cropping Systems
IN initiative

Benton, Carroll, Clinton,
Howard, & Tippecanoe
County Soil & Water
Conservation Districts

This field day is brought to you by the Carroll, Clinton, Howard, Benton & Tippecanoe County Soil & Water Conservation Districts, the Greater Wabash River Resource Conservation & Development Council, the Natural Resources Conservation Service, and Purdue Cooperative Extension. Funding is provided by an Indiana State Department of Agriculture Clean Water Indiana Grant and our generous sponsors.

This project has been funded in part by the United States Environmental Protection Agency under assistance agreement C9975482-07 to the Indiana Department of Environmental Management. The contents of this document do not necessarily reflect the views and policies of the Environmental protection Agency, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.

The Soil & Water Conservation Districts, Purdue University, & U.S. Department of Agriculture (USDA) prohibit discrimination in all their programs and activities and are equal opportunity providers and employers.

Eileen Kladviko, Purdue Univ., Dept. of Agronomy

Earn PARP Credits, CCHs, and CEUs at the field day!

Our Purpose.

To provide the technical, financial, and educational assistance needed to implement economically and environmentally compatible stewardship decisions, practices, and technologies.

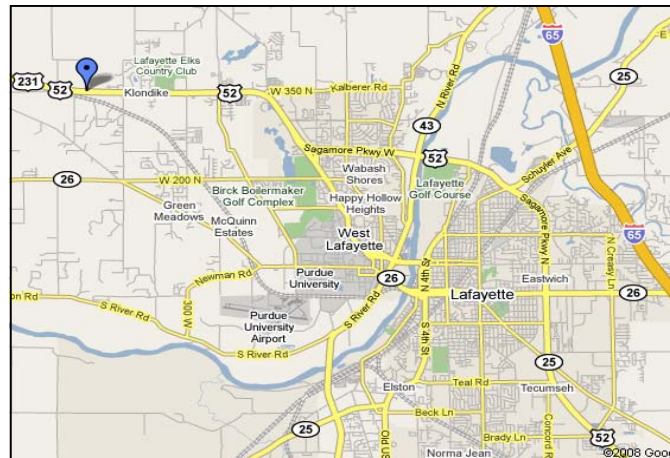

The State Soil Conservation Board's (SSCB's) Clean Water Indiana (CWI) Grants Program provides Indiana's Soil & Water Conservation Districts (SWCDs) with a great opportunity to showcase what Hoosier conservationists can do when given the resources to make a difference.

AGENDA

8:30-9:00	Check - IN
9:00-9:50	How Tillage Impacts Productivity
10:00-10:50	<i>Group 1:</i> Equipment Demonstrations (field) <i>Group 2:</i> Farmer Panel (inside)
