## **Please Join Us**

The Carroll FFA Alumni will be holding a meeting on Wednesday,  
**September 8, 2010 at 7:00 pm**  
in the Ag Barn at Carroll Jr.-Sr. High School.

The agenda for the meeting includes the scholarship fund, fund-raising, student participation and goal setting, organization priorities, and football tailgate party.

We ask anyone who was a past FFA member, who is a parent of a student involved in the FFA or agricultural curriculum, and those involved in the agricultural industry to attend.

You do not have to pay membership dues to be involved. However, if you are interested in joining the Alumni it is a \$10.00 annual membership or \$5.00 for a collegiate membership. Paying membership dues does help us to obtain our yearly National Alumni Membership, as well as contribute to our general fund. Your commitment helps to ensure the continued success of America's premier youth leadership organization.

Our primary goal is to provide a yearly scholarship for a college-bound student(s) and to help support the agricultural student body in their endeavors.

We would appreciate your attendance and participation.

Thank you,  
Nicole Howard, President
